Highlights KGS

IN 2022 THE PROJECT KGS HAD DIFFERENT HIGHLIGHTS.

April: Rights of fathers

In collaboration with MpowerMen Curaçao, on the 9th and 23th of April Bos di Hubentut organised two workshops especially for fathers. Starting from the best interest of the child, these 2 days were organised, where the right of paternity was highlighted in detail, given the insufficient information fathers appear to have on the subject.

April: Trey & Nairobi at shopping mall Sambil

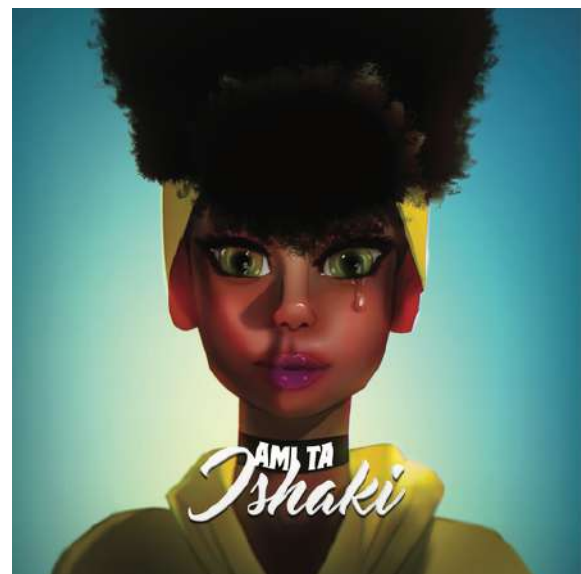

The mascotes Trey and Nairobi were visiting Sambil on 16, 23 and 30 April. These are our mascots for cycle 1 of primary school. Parents had the opportunity to have their children photographed with the mascotes for 5 guilders. The activity was a form of fundraising for our foundation.

October: Cooperation with Aruba

On Friday 21 October, the foundation signed a cooperation agreement with the Aruban Mi Voz ta Bo Voz foundation.

In addition, providing training is part of this cooperation. The trainings are aimed at promoting expertise in tackling child abuse.
